

Welcome

Welcome to Learn 2 Bead, the definitive online beading resource with tons of bead patterns and beading projects . Whether you're a beginner looking to get into beading or an experienced beader looking for bead supplies then this site is for you. If you're just getting started be sure to check out our beading supply guide. In there you will find everything you will ever need to know when it comes to bead supplies. Also be sure to try your hand at our basic bead projects in the free beading patterns section. If you come across a beading project or bead pattern that you like and you would like to share it with us, please feel free to submit it. We also have an extensive directory of bead shops, wholesalers and websites in our beading business directory. As far as beading supplies, dont forget to check out The Bead Shop for all the beading resources you might need from beads to bead boards and books to findings.
